1. Does each sketch clearly show the new interaction?

Sketch 1: Yes / No / Partly

Sketch 2: Yes / No / Partly

Sketch 3: Yes / No / Partly

Notes:
A little bit unclear if your not see real page before.

2. Which design is most likely to help a real user?

Rank the designs (1 = strongest, 3 = weakest):

Sketch 1: 3

Sketch 2: 1

Sketch 3: 2

Why?
it important to tell user that they task is done.

3. Is there anything unclear or missing from the sketches?

same problem as 1
